

FITNESS PASSPORT

Western NSW LHD values the health and wellbeing of its employees and is excited to partner with Fitness Passport to offer a low cost, flexible corporate gym and pool membership program to **eligible** employees and their family members.

Why join Fitness Passport?

The major benefit of Fitness Passport is that you can use as many of the facilities as often as you like. You're not locked into just one facility and the prices are generally cheaper than the price of a standard gym membership at one facility.

There are facilities across the regional centers in Western NSW and NSW that you are able to access with Fitness Passport.

Further information about the gyms and pools, costs and conditions of the program can be found on the **intranet** under "Work Centre – About your job". If you have further questions please contact Risk Management – 63 69 8864 or email: WNSWLHD-healthandwellbeing@health.nsw.gov.au

Who are Eligible Staff?

Staff members can sign up for either a single or family membership.

Eligible employee applicants are:

- Permanent full time and part time staff of WNSWLHD, NSW Health Pathology and Healthshare
- Contracted employees of WNSWLHD who have more than 3 months remaining on their contract
- Casual staff who have been employed for longer than 6 months with WNSWLHD

Ineligible applicants are:

- Agency and Labour Hire staff
- Employees whose contract has expired and are working without a current contract

What is needed to join?

- Access to the internet. If signing up from home go to www.fitnesspassport.com.au.
- Your **bank account** details (Account name, BSB and account number).
- Your **Stafflink** number
- Remember to select either Western NSW Local Health District, Healthshare or NSW Health Pathology as your employer.
- Digital passport-style photo of the employee & all family members (phone photo is fine)
- Use an email address you check frequently (this may not be a work email address)
- Correct address for your card to be posted to.
